

ControllerModels

The diagram illustrates the structure of the ControllerModels package. It is represented by a light blue rounded rectangle with a dashed border. Inside this rectangle, the text 'ControllerModels' is centered at the top. Below it, a solid black rectangular frame contains three elements: the text 'api' on the left, and two blue rectangular boxes with black borders labeled 'Login' and 'NLobby' in the center. To the right of these boxes is another blue rectangular box with a black border labeled 'Visit'.
